

Olmaia 2009

May 2013

Col d'Orcia, Sant'Antimo Olmaia Cabernet, 2009, Tuscany, Italy

Massive and elegant, the complexity on show won Col d'Orcia not just a second Gold, but a Critics Choice gong. 'Big, bright, fragrant, long and earthy, with very powerful, grippy tannins,' said team leader Simon Woods, adding 'needs time'. 'Rich in body, with black fruits, oak, and hints of age from leathery and tobacco aromas,' added Ram Chhetri, Bread Street Kitchen.
