

Brunello di Montalcino 2008

June 2013

94 Points

Sweet, rich, lush and layered, yet also remarkably light on its feet, the 2008 Brunello di Montalcino dazzles from start to finish. Sweet roses, red berries, flowers, mint and orange peel all take an appearance in this utterly impeccable polished Brunello. (...) beautiful Brunello endowed with seemingly endless layers of fruit and fabulous overall balance. Anticipated maturity: 2016-2038.. A. Galloni
