

# Brunello di Montalcino 2008

94PTS  
vinous

Sweet rich, lush and layered, yet also remarkably light on its feet, the 2008 Brunello di Montalcino dazzles from start to finish. Sweet roses, red berries, flowers, mint and orange peel all take an appearance in this utterly impeccable polished Brunello I imagine the 2008 will still be a special wine at age 30. The aromas are naturally still quite primary, so some cellaring is advisable. The brutal August hailstorm took with it a full 40% of the production, but left behind a strikingly beautiful Brunello endowed with seemingly endless layers of fruit and fabulous overall balance. September 2013.
