BB: Still a touch reticent on the nose yet elegant and spicy, with red fruit embellished by notes of tobacco leaf and dried herbs. Evened, vertical and refined on the palate, with a clean, inviting finish. MG: Fragrant berry aromas with hints of tarragon and black pepper, ceding to a rounded palate with full, chunky fruit, while lithe tannins should ensure a promising future. SH: Soft, creamy sweet-oak spice aromas lead to a powerful yet uniform palate of cherry fruit, with a long-lingering finish. Seems young at present, but all the elements complement each other beautifully. Drinking Window 2020 - 2029
