

BRUNELLO
DI MONTALCINO
DOCG
2016

93

The Col d'Orcia 2016 Brunello di Montalcino is a widely available wine with an ample production of 240,000 bottles. This cooler vintage shows dark fruit and spice, while there's an extra layer of leather or cigar ash at the back. This wine is made with organic fruit. It displays a mid-weight mouthfeel with tight tannins and lively acidity, the kind that will cut through your favorite steak dinner. Nov. 2020
