93  
POINTS

The 2016 Col d'Orcia Brunello di Montalcino is still young and will benefit from additional aging. Naturally it's full bodied, chewy, minerally and robust. Compared to the 2013 Riserva, it tends toward the powerful side, more muscular. But it is not a monster: it has some delicacy and intricacy and the inherent balance to age beautifully.

M. Ewing Mulligan MW April 2021
