

BRUNELLO
DI MONTALCINO
DOCG
2018

Classic and I mean classic Col d'Orcia, the kind of Annata that wears heart on sleeve and puts cards on table while imagination runs wild. Pedigree and experience tells the story of foreshadowing, knowing full well that dreams do come true in a future where a 2018 Annata is poured and its full glory is revealed. Could be 2028, '38 or '48. One never knows from Count Francesco Marone Cinzano's wines but this structure over fruit dominant '18 might just own that kind of stuffing. The next ten years will be the best but bet on more, more and more. Drink 2023-2033. Tasted November 2022.
