

Brunello di Montalcino D.O.C.G. “Nastagio” 2012

Bright moderately saturated red. Captivating aromas of red cherry, strawberry nectar and minerals, all complicated by cedar, flinty and herbal notes. Then fresh and juicy, displaying outstanding cut and clarity to the red fruit and herbal flavors, and a multilayered quality that leaves an impression of depth and complexity on the lingering, suave, savory finish. Owner Francesco Marone Cinzano told me he believes that Nastagio always has greater depth and complexity than the regular Brunello and so it makes sense to bottle it as a separate wine; I could not agree more..
