

BRUNELLO
DI MONTALCINO
DOCG
NASTAGIO
2015

This is one of the most powerful and structured Brunellos I have tasted from the 2015 vintage, showing rich, chewy tannins that are polished and poised. It's full-bodied and chewy, yet focused and pretty. There's purity of fruit that is very, very impressive. From organically grown grapes. This needs at least three or four years to soften and come together. Best wine ever from here. Better after 2023. 08/2020.
