

BRUNELLO  
DI MONTALCINO  
DOCG  
NASTAGIO  
2016

Decanter

Col d'Orcia's Nastagio bottling comes from an 8ha site planted in 2006. The result of a collaborative experiment with the University of Florence, it also represents the estate's more modern Brunello as it ages in small, 500-Litre French oak tonneaux for the first year followed by an additional 12 months in larger casks. Attractive and approachable aromas suggest coffee, tobacco and plum. A meatiness comes into play on the palate along with appetising salted liquorice. Long, well-composed and assertive tannins are cushioned by luxuriant fruit. Somewhat imposing now but not fierce, it has a lingering savoury finish. Nov.2021
