

Nearco Sant'Antimo Rosso DOC 2015

92 Pts.

... a blend of Merlot, Cabernet Sauvignon and Syrah. Some 25,000 bottles were made. This is a near term and approachable Tuscan red to pair with grilled Italian sausages with onions and green bell peppers. The wine offers loads of succulent softness with medium to full-bodied structure to hold it all together. I'm not sure which grape plays a dominant role, but to my palate I taste the Cabernet Sauvignon with the greatest clarity. Dark fruit is followed by grilled rosemary and scorched earth. The warm vintage is nicely expressed here. This is a good value.
