OLMAIA®

2016

COL D'ORCIA
— MONTALCINO —

94

Olmaia (made with certified organic fruit) has emerged as its own brand. The wine underlines the potential of Cabernet Sauvignon in this part of Tuscany, an area almost exclusively dedicated to Sangiovese. The 2016 Sant'Antimo Cabernet Olmaia reminds us of the importance of diversity in a monoculture, which allows us to better understand the potential of a growing area. This wine reveals an inky dark appearance with thick color concentration. It is broad and full-bodied for sure, but it proceeds with nuanced grace over the senses. Black and purple fruits segue to earthy tobacco, cured leather and dark spice. These aromas are especially fine-tuned in this classic vintage. Feb. 2022
