## Excellent Everyday Super Tuscan!

This wine is their Super Tuscan that incorporates those grapes including the ancient indigenous Ciliegiolo. Merlot and Cabernet Sauvignon fill out the blend and in blending all these grapes together, Col d'Orcia has reinterpreted the old and noble art of assembling spices so as to obtain and exalt the complexity of flavors. While the Ciliegiolo, gives fresh aromas of ripe black cherry, the Merlot introduces notes of berries jams; the blend is balanced with the structure of the Sangiovese. Aged in steel to retain the fresh flavors and aromas this is a supple easy to like Tuscan with wide appeal. June 2015
